

STANDARD ETHICS EUROPEAN UTILITIES INDEX

REVIEW – OCTOBER 2025

Standard Ethics has approved the following Index changes, which will be implemented at close of business on Tuesday, 30th September 2025 and will become effective from Wednesday, 1st October 2025.

Standard Ethics' indices are *Open Free Sustainability Indexes*, which are self-funded, public and freely available both in their constituents and in the ratings assigned to each constituent because they are not - to date - financial products for asset management.
