

STANDARD ETHICS MID SPANISH INDEX

REVIEW – APRIL 2025

Standard Ethics has approved the following Index changes, which will be implemented at close of business on Friday, 28th March 2025 and will become effective from Monday, 31st March 2025. Standard Ethics' indices are *Open Free Sustainability Indexes*, which are self-funded, public and freely available both in their components and in the ratings assigned to each constituent because they are not - to date - financial products for asset management.
