STANDARD ETHICS US INDEX

REVIEW – OCTOBER 2024

Standard Ethics has approved the following Index changes, which will be implemented at close of business on Friday, 27th September 2024 and will become effective from Monday, 30th September 2024.
Standard Ethics' indices are *Open Free Sustainability Indexes*, which are self-funded, public and freely available both in their components and in the ratings assigned to each constituent because they are not - to date - financial products for asset management.
